Dear Students:

I am pleased to welcome you to the College of Arts and Sciences. Commonly known as CAS, the College is the largest at the University of North Texas with over 11,000 students and more than 400 full-time faculty members. As the heart of the university, CAS offers classes to every undergraduate at UNT as part of the university's core curriculum as well as specialized courses in the arts, humanities, sciences and mathematics, social sciences, and interdisciplinary programs spread throughout our 19 departments offering 121 undergraduate and graduate degree programs.

A CAS education develops essential skills in written and oral communication, critical thinking, decision-making, and leadership. You will find the CAS faculty members to be a talented group of researchers and teachers who are ready to help prepare you for careers in business and industry, public service, teaching, or further graduate study; and to prepare you to meet the immediate and future needs of a global society. I encourage you to explore the exciting opportunities available to you in the College of Arts and Sciences.

I look forward to meeting you, and maybe even seeing you in class.

Sincerely,

A handwritten signature in black ink, appearing to read 'Art Goven'.

Art Goven

Dean, College of Arts and Sciences

## Academic Advising

UNT Advising Definition: Academic advising is a collaborative partnership and developmental process that assists students in defining, clarifying and achieving academic, personal, and career goals.

Mission of the Dean's Office for Undergraduates and Student Advising: The office mission is to teach, assist and empower students to define, clarify and achieve academic and personal goals through professional, caring service.

### Advisors will guide students in:

- Partnering and collaborating with advisors to develop a plan to accomplish their educational goals.
- Understanding and applying knowledge about their degree requirements to graduate in an efficient and timely manner.
- Utilizing campus resources.
- Understanding the importance of deadlines, policies, procedures and accept their responsibility to uphold them.
- Utilizing online resources and advising tools, such as Succeed at UNT.
- Succeeding at UNT by showing up, finding support, taking control, being prepared, getting involved, and being persistent.
- Accepting and embracing their responsibilities as engaged citizens of UNT and the world.

### Student's Responsibilities (What you are expected to do):

- Schedule regular appointments or make regular contacts with your advisor during each semester.
- Come prepared to each appointment with questions or material for discussion.
- Ask questions, request clarification, and keep records.
- Use Guidebook and on-line advising tools to track academic progress.
- Become knowledgeable about college programs, course sequencing/prerequisites, policies and procedures.
- Accept responsibility for your educational plan and for your decisions.
- Seek out academic and student services, when needed.

Although some students are required to meet with their advisor every semester, all students are encouraged to do so. Declared majors have faculty advisors available in their academic departments in addition to the advising staff in the Dean's Office for Undergraduates and Student Advising.

# Who are my Academic Advisors?

A complete list of academic advisors, academic counselors, faculty advisors, health professions advisors and pre-law advisors are listed on our website at <http://cas.unt.edu/advising/advisor-contacts>.

## Advisors in the College of Arts and Sciences

The College of Arts and Sciences provides three distinct types of Academic Advisors for majors and supplemental advising for Health Professions and Pre-Law:

**Academic Counselors** - the primary focus of Academic Counselors is to assist students who have not yet chosen a major and are exploring their major and career options within the College of Arts and Sciences. They are also involved with career counseling, teaching a career development course, and assisting in more complex counseling situations. Academic Counselors serve as the primary advisors for General Studies, Integrative Studies and Social Science majors.

**Academic Advisors** - work in conjunction with Departmental or Faculty Advisors, Academic Advisors assist students with chosen majors in answering questions concerning General University Core and College of Arts and Sciences requirements. They are available to review official degree audits with students, perform graduation checks with students, and review all situations requiring Dean's Office Approval for Arts and Sciences Undergraduate Students (such as Concurrent Enrollment, Overload, and Pass/No Pass Course Option approvals).

**Departmental/Faculty Advisors** - work in conjunction with Academic Advisors, mentoring students in their academic disciplines by helping them understand requirements in the major, career options with that major, and start the process for obtaining an official degree audit.

## Pre-Professional Advising

**Health-Related Career Advising** - Dentistry, Medicine, Optometry, Veterinary Medicine, Podiatry, Physician Assistant, Physical Therapy, Chiropractic, Pharmacy and Occupational Therapy: Students interested in these professions should schedule an appointment with the Assistant Director of Health Professions Programs in the Office of Health Professions, located in the General Academic Building (GAB) room 220. Assistance will be provided regarding entrance requirements, the application process, interview preparation and the required recommendations for the professional school. **(940-565-2051- [www.cas.unt.edu/advising/health-professions](http://www.cas.unt.edu/advising/health-professions))**

**Pre-Law/Legal Careers** - Supplemental advising is available to all UNT students regarding law school admissions and the pursuit of a legal career. Guidance is available from your first year at UNT through the law school application process, and through selection of the right law school for you. **(940-565-4413- [www.cas.unt.edu/advising/pre-law](http://www.cas.unt.edu/advising/pre-law))**

## Degree Audit

A degree audit is an official document of the University that lists all the courses needed to complete a chosen degree and shows how all the courses completed are applied toward the degree. Students should file for a degree audit when certain of their major by making an appointment with the faculty advisor in the major department. Transfer students will need to bring:

- copies of evaluated transfer transcripts from the UNT Registrar's Office
- catalog descriptions of transfer courses
- the initial Core Curriculum Transfer Evaluation Form/Audit (received at orientation)

After the degree audit advising session with the advisor, the degree audit request form is sent to the Dean's Office for Undergraduates and Student Advising (GAB 220) for preparation of the degree audit. The degree audit will be mailed to the address listed in your my.unt.edu. Students can obtain an updated copy each semester from GAB 220 or you can view your degree audit on-line at my.unt.edu. Academic Advisors in GAB 220 are available by appointment to assist students with questions that may arise as they chart their progress.

# Core Curriculum and College Requirements for the BA Degree

2014-2015 and later Catalog Years

(Students seeking BS degrees must consult department. Students seeking BFA degrees must complete University Core and consult department for other requirements.)

## I. UNIVERSITY CORE REQUIREMENTS (See List of Course Options)

- A. COMMUNICATION (6 hours): See approved list. Students must complete each course with a grade of C or better.  
 \_\_\_\_\_ Group I: ENGL 1310 or TECM 1700 Grade \_\_\_\_\_  
 \_\_\_\_\_ Group II: ENGL 1320 or TECM 2700 (TECM 2700 is required for some majors; see your departmental advisor for more information.) Grade \_\_\_\_\_
- B. \_\_\_\_\_ MATHEMATICS (3 hours): See approved list.  
**NOTE:** Only courses from the approved list may apply. Some majors require specific and or additional mathematics courses. See your Academic Advisor regarding questions about Math requirements, placement tests, or prerequisites.
- C. LIFE AND PHYSICAL SCIENCES (6-8 hours):  
 2 courses with laboratories from the Life and/or the Physical Sciences (Some majors require specific and/or additional laboratory science courses; see your departmental advisor for more information.)  
 \_\_\_\_\_ Course 1 \_\_\_\_\_  
 \_\_\_\_\_ Course 2 \_\_\_\_\_
- D. \_\_\_\_\_ CREATIVE ARTS (3 hours): See approved list.
- E. \_\_\_\_\_ LANGUAGE, PHILOSOPHY, & CULTURE (3 hours): See approved list.
- F. AMERICAN HISTORY (6 hours): See approved list.  
 \_\_\_\_\_ HIST 2610 or 2675  
 \_\_\_\_\_ HIST 2620 or 2685
- G. GOVERNMENT/ POLITICAL SCIENCE (6 hours): See approved list.  
 \_\_\_\_\_ PSCI 1040 or 1041  
 \_\_\_\_\_ PSCI 1050 or 1051

**NOTE:** If you are transferring credit for either of these courses from another college or university, please check with your advisor to be certain you are taking the correct course. Do not assume that your "first" course elsewhere is the same as PSCI 1040. An out-of-state government course cannot be equivalent to PSCI 1040 but may be equivalent to PSCI 1050.

- H. \_\_\_\_\_ SOCIAL & BEHAVIORAL SCIENCE (3 hours): See approved list.
- I. \_\_\_\_\_ DISCOVERY (3 hours, it is recommended to take this course in your first year): See approved list.
- J. \_\_\_\_\_ CAPSTONE (3 hours, to be taken at the end of your program and after the above listed core courses are completed): See approved list.

## II. COLLEGE OF ARTS AND SCIENCES DEGREE REQUIREMENTS (See List of Course Options)

1. LABORATORY SCIENCE (3-4 hours, in addition to the University Core Life & Physical Sciences requirement):  
 \_\_\_\_\_ One course from the Life Sciences or the Physical Sciences (Some majors require specific and/or additional laboratory science courses; see your departmental advisor for more information.)  
 \_\_\_\_\_ Course 3 \_\_\_\_\_

**NOTE:** The College of Arts and Sciences requires students to complete a total of 9-12 hours of laboratory science (including the 6-8 hours in the University core) with at least one course in the Life Sciences and at least one course in the Physical Sciences. Laboratories are required as co-requisites. See list for course options.

2. FOREIGN LANGUAGE (6 hours in one Foreign Language at/or above the Intermediate II level):  
 \_\_\_\_\_ LANG 2040 and 2050 (prerequisites for 2040 and 2050 courses are LANG 1010 and 1020 or credit by exam)  
 \_\_\_\_\_ Prerequisites LANG 1010 (3 hours) and 1020 (3 hours) or credit by exam

UNIVERSITY CORE REQUIREMENTS	
<b>A. COMMUNICATION</b>	
<b>Group 1 (3 hours, C or better required):</b>	
ENGL	1310 College Writing I
	1311 Honors College Writing I
	1315 Writing About Literature I
TECM	1312 Introduction to Academic Writing for International Students
	1700 Introduction to Professional, Science & Technical Writing
<b>Group 2 (3 hours, C or better required):</b>	
ENGL	1320 College Writing II
	1321 Honors College Writing II
	1325 Writing About Literature II
TECM	1322 Introduction to Academic Writing for International Students
	2700 Technical Writing
<b>B. MATHEMATICS</b>	
DSCI	2710 Data Analysis with Spreadsheets
MATH	1180 College Math for Business, Economics & Related Fields
	1190 Business Calculus
	1350 Mathematics for Elementary Education Majors I
	1580 Survey of Math with Applications
	1600 Trigonometry
	1610 Functions, Graphs & Applications
	1650 Pre-Calculus (5 hours)
	1680 Elementary Probability & Statistics
	1681 Elementary Probability & Statistics with Algebra Review
	1710 Calculus I (4 hours)
<b>C. LIFE &amp; PHYSICAL SCIENCES</b>	
NOTE: See item 1 for the College of Arts & Sciences requirements for a list of courses that will satisfy both the University Core Life & Physical Sciences requirement & the College of Arts & Sciences Laboratory Science requirement. Courses must have corresponding labs to count toward this requirement. Some classes that satisfy the university core do not apply toward the college requirements or may be restricted to certain majors.

XXXX	* 4951	Honors College Capstone Thesis

[Offered in 68 programs, see current catalog for options]

**COLLEGE of ARTS & SCIENCES REQUIREMENTS**

<b>1-A. LIFE SCIENCES</b>		
ANTH	2700	Introduction to Physical Anthropology (same as BIOL 2700)
ARCH	2800	Archaeological Science
BIOL	1112	Contemporary Biology
	1122	Plant Biology
	1132	Environmental Science
	1142	Microbes and Society
BIOL	1710 & 1730	Biology for Science Majors I and Lab
	1711 & 1733	Honors Biology for Science Majors I & Lab
	1720 & 1740	Biology for Science Majors II and Lab
	1722 & 1744	Honors Biology for Science Majors II & Lab
	2301 & 2311	Human Anatomy & Physiol I & Lab
	2302 & 2312	Human Anatomy & Physiol II & Lab
	2700	Human Evolution & Physical Anthropology
GEOG	1710	Earth Science
GEOL	1610	Introductory to Physical Geology
HMG	2460	Introduction to Nutrition Science
<b>1-B. PHYSICAL SCIENCES</b>		
CHEM	1360	Context of Chemistry
	1410	General Chemistry for Science Majors I
	1412	Gen. Chemistry for the Honors Coll. I
	1413	Honors General Chemistry I
	1430	Lab Sequence for 1410/1412/1413
	1420	General Chemistry for Science Majors II
	1422	Gen. Chemistry for the Honors Coll. II
	1423	Honors General Chemistry II
	1440	Lab Sequence for 1420/1422/1423
	1415 & 1435	Gen. Chem. for Engineering Mjrs & Lab
PHYS	1052	The Solar System
	1062	Stars & the Universe
	1270	Science & Technology of Musical Sound
PHYS	1315	Intro to the World of Physics
	1410 & 1430	General Physics I and Lab
	1420 & 1440	General Physics II and Lab
	1510 & 1530	Gen Physics w/ Calculus I & Lab
	1520 & 1540	Gen Physics w/ Calculus II & Lab
	1710 & 1730	Mechanics and Lab
	2220 & 2240	Electricity & Magnetism & Lab

**1-C. Additional Lab Science (3 hours from either the Life Sciences or the Physical Sciences listed above; in addition to the University Core):**

NOTE: BIOL 1082 & PHYS 1210 do not apply toward this requirement & are restricted to elementary education majors.

**2. FOREIGN LANGUAGE:**  
 Intermediate Language I (prerequisite 1020) and Intermediate Language II (prerequisite 2040) – (American Sign Language, Arabic, Chinese, French, German, Italian, Japanese, Latin, Russian, or Spanish)  
 ARBC 2040 & 2050, or CHIN 2040 & 2050, or FREN 2040 & 2050, or GERM 2040 & 2050, or ITAL 2040 & 2050, or JAPN 2040 & 2050, or LATI 2040 & 2050, or RUSS 2040 & 2050, or SPAN 2040 & 2050, or SPHS 2040 & 2050

^ Courses listed in more than one core category may only apply toward one core requirement.

\* Courses with an asterisk have prerequisites, see current undergraduate catalog for details.

**GENERAL UNIVERSITY DEGREE REQUIREMENTS:**

The following requirements are also required of all UNT students to earn a bachelor's degree at UNT:

1. A minimum cumulative UNT grade point average of a 2.0.
2. A minimum cumulative grade point average of a 2.0 on all work attempted including transfer work.
3. 42 semester hours of advanced (3000/4000 level) course work.
4. 24 semester hours of advanced course work in residence at UNT including at least 12 advanced semester hours in your major.
5. A minimum of 120 semester hours.
6. At least 30 semester hours in residence at UNT.

**College of Arts and Sciences Undergraduate Majors & Degrees Offered**

<u>Bachelor of Arts (BA) or a Bachelor of Science (BS) or a Bachelor of Fine Arts (BFA) with a Major in:</u>	<u>Bachelor of Arts (BA) or a Bachelor of Science (BS) or a Bachelor of Fine Arts (BFA) with a Major in continued:</u>
Biochemistry (BA) ^ Biology (BA)^ Chemistry (BA)^ Communication Studies (BA)^ Converged Broadcast Media (BA) Dance (BA or BFA)^ Ecology for Environmental Science (BS) Economics (BA) English (BA) Concentrations – Creative Writing Language Arts^ Literature Writing & Rhetoric French (BA)^ Geography (BA or BS) German (BA)^ History (BA)^ Integrative Studies (BA or BS) International Studies (BA) Concentrations - International Business and Economics International Development & Humanitarian Affairs International Security and Diplomacy Peace Studies Regional Studies Linguistics (BA) Mathematics (BA)^ Philosophy (BA) Physics (BA)^	Political Science (BA) Professional & Technical Communication (BA) Psychology (BA or BS) Radio, Television & Film (BA) Religious Studies (BA) Social Science (BA)^ Sociology (BA or BS) Spanish (BA)^ Theatre (BA)^  <u>Bachelor of Science (BS) Degrees in a discipline:</u>  BS in Biochemistry^ BS in Biology^ BS in Chemistry^ BS in Economics BS in Mathematics^ BS in Medical Laboratory Sciences (Cytotechnology concentration available) BS in Physics^  ^Teaching certificates available with this major see current undergraduate catalog for details.

# Important Things to Know

## **Eagle Express Tuition Plan**

Tuition costs are a big part of planning for college – and a big concern. UNT offers you an innovative solution to rising college costs with the Eagle Express plan. Eagle Express is more than a tuition plan, it's a plan for success.

- UNT's Eagle Express plan locks in your total academic costs for four years.
- It pays to graduate on time. Save up to \$3,000 in your last 15 hours (typically your last semester) by graduating in four years, and if you qualify for the statewide on-time \$1,000 tuition rebate, you'll save \$4,000.
- You'll save time and money by knowing your academic costs up front, graduating on time and earning a full-time salary sooner.

For more information, you can direct any questions you have to our toll-free information line at 844-236-6855 or visit [eagleexpress.unt.edu](http://eagleexpress.unt.edu).

## **Satisfactory Academic Progress (SAP)**

Students applying for financial aid will be monitored for satisfactory academic progress, including pace of progression and academic performance. Please see a financial aid counselor and visit with your academic advisor. Additional details are available at [www.financialaid.unt.edu/sap](http://www.financialaid.unt.edu/sap).

## **Graduation Information**

### **Graduation Check**

Students should request an appointment for a graduation check with their advisor in the Dean's Office for Undergraduate and Student Advising during the semester prior to the semester planned for graduation. While it is recommended that students set up an appointment with their advisor for a graduation check, students may request a graduation check without scheduling an appointment. An updated degree audit will be prepared after semester grades are posted and will be available for pick-up in GAB 220 in time for students to make any necessary schedule revisions.

### **Graduation Application**

The graduation application may be obtained at either the Registrar's Office or the Dean's Office for Undergraduates and Student Advising (GAB 220), but must be returned to GAB 220. In order to apply for graduation, students should:

- Submit graduation application by the deadline stated in the Schedule of Classes.
- Enroll for all courses stated on the degree audit within the course load guidelines.
- Complete the required English Composition courses with a grade of C or better.
- Must have a minimum overall grade point average of 2.0 on all attempted course work at UNT.
- Must have a minimum overall grade point average of 2.0 on all coursework attempted (transfer and UNT combined).
- Not be concurrently enrolled at any other institution.

## **Other Important Academic Policies**

Other important academic policies are covered in the Advising Guidebook you received, and can be found at [advising.unt.edu/getting-started](http://advising.unt.edu/getting-started).

# CAS Academic Opportunities

## Career Development (UCRS 2100)

UCRS 2100 (Career Development) is a one-hour course that assists students who wish to clarify their career goals by exploring their interests, abilities and values and in relating these to academic, personal and career choices. Grading is on a pass/no pass basis. See Schedule of Classes for availability.

## Interdisciplinary Minors

For more information about the courses used to satisfy these minors, consult the catalog or the following offices:

<b>Name/Department</b>	<b>Location</b>	<b>Phone</b>	<b>Web Address</b>
African-American Studies – Department of History	Wooten Hall 225	565-2288	<a href="http://history.unt.edu/interdisciplinary-minors/african-american-studies">http://history.unt.edu/interdisciplinary-minors/african-american-studies</a>

## Leadership for a Global Society (UCRS 3600)

UCRS 3600 (Leadership for a Global Society) is designed to enhance a student’s undergraduate degree and increase marketability to employers and graduate schools. The course will prepare students to become effective leaders on campus, in the global community, and in their professional careers. This course will integrate guest speakers, foundational leadership theories and skills to help students impact their global community. Please contact Julie Kirkland at (940) 565-2051 for more information.

## ROTC Programs

### **Aerospace Studies/Air Force ROTC (AFROTC) (940-565-2074 - [afrotc.unt.edu](http://afrotc.unt.edu))**

AFROTC provides great leadership and teamwork skills. AFROTC scholarships are available to help you pay for college; you don't have to sign up for the Air Force to earn a scholarship. Those who join the Air Force and complete the ROTC program are commissioned as officers (2nd Lieutenants) with starting pay around \$50,000 and immediately have 30 paid vacation days. Information is available in Athletics Building Room 101.

### **Military Science/Army ROTC (940-369-8011 – [www.ArmyRotc.unt.edu](http://www.ArmyRotc.unt.edu))**

Along with great leadership training, Army ROTC can pay for your college tuition. Army ROTC offers grade based scholarships to pay for your remaining years of college (2, 3, or 4 years.) You will have a normal college student experience like everyone else on campus, but when you graduate, you will be an Officer in the Army. Information is available in Wooten Hall Room 325.

### **Study Abroad Office (940-565-2207 – [www.international.unt.edu/studyabroad](http://www.international.unt.edu/studyabroad))**

UNT provides study abroad opportunities to students and to faculty to lead programs; summer, semester, year-long programs and everything in between; information/orientation for study, travel, internship and volunteer abroad programs including UNT and national grants for international study; coordinates international insurance for traveling faculty, staff and students on UNT activities. For more information contact the Study Abroad Office at [studyabroad@unt.edu](mailto:studyabroad@unt.edu) or Sage Hall 236.

### **Teacher Education Certification (940-565-2051 - [www.coe.unt.edu/sao](http://www.coe.unt.edu/sao))**

Students wishing to teach at the secondary level must meet certification requirements through the College of Education. To be admitted to the teacher certification program in the College of Education (MATT 105), the student must have at least 60 semester hours, a 2.75 UNT GPA, a 2.75 overall GPA, a degree audit and passing scores on all parts of the THEA exam. Students must pass a state exam to be certified as a teacher in the state of Texas. The exam covers Professional Development (teaching methodology) and the subject areas being certified. **Teach North Texas (TNT)** is a great program for students who are interested in teaching math or science. Contact your academic advisor for details or see [teachnorthtexas.unt.edu](http://teachnorthtexas.unt.edu) for more information.

## Undergraduate Academic Certificates

The University of North Texas offers upper-division undergraduate academic certificates to meet workforce needs or to provide students with life/career skills and knowledge to allow for specialization in academic disciplines. Undergraduate academic certificates require 12–20 hours, of which 9 must be advanced. Certificates are offered in the following areas for the College of Arts and Sciences:

Certificate Name	Department
Actuarial Science	Mathematics
Arab and Islamic Studies	International Studies
Digital Media Studies	Linguistics and Technical Communication
Economic Geography	Economics
Ethnobiology	Geography
Forensic Science	Biological Sciences and Chemistry
Geographic Information Systems	Geography
Global Perspectives	International Studies
Latina/o and Mexican American Studies	College of Arts and Sciences
Legal Studies	Political Science/ Pre-Law
Mathematics of Scientific Computation	Mathematics
Media Management	Radio, Television and Film
Medieval & Renaissance Studies	English
Peace Studies	Political Science
Professional French	World Languages, Literatures and Cultures
Professional Spanish	World Languages, Literatures and Cultures
Public Health and Geographic Information Systems	Geography
Spanish Language Media	Radio, Television and Film
Statistics	Mathematics
Technical Writing	Linguistics and Technical Communications
Television News Producing	Radio, Television and Film/Journalism
