Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

The maximum amount of credit for appropriate prior graduate work is 30 semester hours. An entering student may request to waive a combination of program (no more than 12 hours) and departmental course reuquirements up to this limit. This may reduce the length of time for completion of the program, but this varies by individual and cannot be assured.
