To apply for a scholarship or award, you must submit an application cover page (see last page), CV, and essay specific to the scholarship or award. In addition, the thesis, dissertation, and teaching fellow awards require one letter of recommendation.

You will need to submit each scholarship or award application in a SEPARATE email. In each email, include your name and the name of the scholarship in the subject line. For example, if you are applying for the dissertation award, the subject of the email will be as follows: "Ernest Harrell_Outstanding Dissertation Award." If you also apply for the Anna Wright Memorial Scholarship, you would submit a second email with the subject, "Ernest Harrell_Anna Wright Memorial Scholarship."

Additional Information:

We encourage all students to apply for the dissertation, thesis, and scholarly publication awards, if eligible. Beyond these, however, you may only apply to two additional awards.
