# Faculty News

Vicki Campbell was reappointed as UNT Psychology Department Chair for a second four-year term.

After 35 years at UNT, Bert Hayslip will be retiring to Myrtle Beach with his wife, Gail. Thank you for your service to our program, department, and university. You will be missed.

Joshua N. Hook received a grant from the John Templeton Foundation to study intellectual humility in religious leaders for \$262,970.

Joshua N. Hook and Marciana Ramos were awarded a grant from the University of North Texas to study humility and sexuality in married couples for \$7,500.

Trent Petrie, president of Division 47 of APA, hosted the midyear meeting of Division 47's Executive Committee in Terrill Hall at UNT from February 28<sup>th</sup> – March 3<sup>rd</sup> 2013.

The Federation psychology program traditionally sponsors a workshop in late winter. Budget reductions this year obviated producing a workshop. Instead Dr. Larry Schneider, who coordinates the annual Federation workshops, devised a research competition for psychology students at the poster competition of the general Federation convocation in April. Dr. Vicki Campbell and Joshua Hook joined him in representing a UNT contingent on the panel of Federation judges for posters presented by students in participating psychology programs at UNT, TWU, and Texas A&M—Commerce.

Ed Watkins was appointed to the International Advisory Board of the *International Journal of Psychotherapy* in March, 2013.

## News from our Alums
