

Graduate Students on the Research Team (updated August 2020)

The Rogers Graduate Team:

- Margot M. Williams, Ph.D., is now a forensic post-doctoral fellow at the Central Regional Hospital.
- Sarah F. Velsor, M.A., successfully defended her dissertation and is currently a predoctoral intern, Western State Hospital, Tacoma, WA.
- Sara E. Hartigan, M.A., M.S., has her dissertation proposal defense scheduled and is applying for her predoctoral internship.
- Tanveer Otal, M.S., set back by Covid-19, plans to complete her dissertation proposal and apply for her predoctoral internship.
- John W. Donnelly, II, M.S., a third-year student, successfully defended his thesis proposal, but now is writing a second thesis proposal because of Covid-19 restrictions on in-person research.
- Brittney Dean, B.A., a third-year student, is drafting her thesis proposal.
- Minqi (Will) Pan, M.A., a second-year student, is re-drafting his thesis because of Covid-19 restrictions on in-person research.
- Yi-Ting Chang, M.S., M.S., is a first-year student, who just joined the Rogers team.
- Kamar Tazi, B.A., is a first-year student, who just joined the Rogers team.
