

**Richard Rogers, Ph.D., ABPP**  
Regents Professor of Psychology  
Updated September 2018

## Research

The research team is a closely-knit group of dedicated doctoral students that work on collaborative projects as well as their own theses and dissertations. Our shared goal is rigorous scholarship. I am very proud of my graduate students' accomplishments.

### **Publications with Graduate Students from 2008 to the August 2018**

- 2008: 4 articles: *Clinical Psychology Review*, *Law and Human Behavior*, *Psychological Assessment*, and *Psychology, Public Policy and the Law*

Note. Multiple publications in the same journal are noted in parentheses.

### Current Research Sites

- Dallas County Probation
- Changes Outpatient of Frisco (youth)
- University Behavioral Health

### Internship Placements

For many students seeking a professional career in clinical and forensic psychology, an important consideration is a highly competitive internship. Recent internships include the following:

- Federal Correctional Complex, Butner
- Patton State Hospital
- Springfield Medical Center
- University of North Carolina School of Medicine
- University of Texas Health Science Center at San Antonio
- University of Texas Medical Branch at Galveston
- Western State Hospital

### Academic and Research Careers from 1997 to Present

Approximately one-fifth of the research team has successfully sought tenure-track and research careers. Current and past positions are summarized.

Student	Position	Department	Institution
S. D. Bender	Associate Professor	Psychiatry	University of Virginia
M. L. Cashel	Associate Professor	Psychology	Southern Illinois University
K. R. Cruise	Professor	Psychology	Fordham University
K. S. Harrison <sup>a</sup>	Assistant Professor	Neuropsychiatry	University of South Carolina School of Medicine
M. J. Jordan	Assistant Professor	Psychiatry	UNT Health Sciences Center
R. L. Jackson <sup>a</sup>	Associate Professor	Psychology	Palo Alto University
R. T. Salekin	Professor	Psychology	University of Alabama
K. L. Ustad <sup>b</sup>	Associate Professor	Psychology	University of Alabama
M. J. Vitacco	Associate Professor	Psychiatry	Georgia Regents University

<sup>a</sup> These students have subsequently left academia.

<sup>b</sup> Dr. Ustad's last name is now Salekin.

### **National Awards by Members of the Research Team**

Three former members of the research team have received national recognition for outstanding scholarly contributions via early-career research awards:

- Randall T. Salekin, Ph.D., Professor of Psychology at the University of Alabama, was the 2001 recipient of Saleem Shah Award from the American Psychology-Law Society. This prestigious national award is given to early-career researchers who have made outstanding contributions to law and psychology.
- Mary Louise Cashel, Ph.D., Associate Professor of Psychology at Southern Illinois University, is the 2004 recipient of Samuel J. and Anne G. Beck Award from the Society for Personality Assessment. Awarded in conjunction with the University of Chicago, the Beck Award recognizes outstanding early career research in the field of personality assessment.
- Rebecca L. Jackson, Ph.D., was Associate Professor of Psychology at Pacific Graduate School at the time she was honored as the 2008 recipient of the Theodore H. Blau Early Career Award from the Society of Clinical Psychology for outstanding early career contributions to the profession of clinical psychology.

### **Graduate Students on the Research Team (updated September 2018)**

The Rogers team:

- Sarah Henry, PhD, has now graduated!
- Allyson Sharf, MS, (5<sup>th</sup> year) received her top internship choice at University of North Carolina School of Medicine and is finalizing her dissertation.
- Margot Williams, MS, (4<sup>th</sup> year) is drafting her dissertation and applying for internship.
- Sarah Velsor, MA, (3<sup>rd</sup> year) is finalizing her dissertation proposal.
- Tanveer Ota, BS, (3<sup>rd</sup> year) has completed data collection for her thesis.
- Sara Hartigan, MA, (2<sup>nd</sup> year) successfully defended her thesis proposal and started data collection.
- Brittney Dean, BS, (1<sup>st</sup> year) just joined the team.
- John Donnelly, MS, (1<sup>st</sup> year) just joined the team.
