

Graduate Students on the Research Team (updated August 2017)

The Rogers team:

- Rachel M. Carter, M.S., is preparing for her dissertation defense and will begin her post-doc at Pattern State Hospital.
- Sarah Henry, M.A., is drafting her dissertation and just started her internship at Western State Hospital.
- Allyson J. Sharf, M.S., successfully defended her dissertation proposal and has three first-authored articles including two in APA journals.
- Margot M. Williams, M.S., successfully defended her thesis and has seven co-authorships.
- Darby B. Winningham successfully defended her thesis and is working on her thesis article and several other projects.
- Sarah Velsor, M.S., completed her first year on the team and has submitted a first-authored manuscript, which may serve as the basis for her dissertation.
- Tanveer Otal also completed her first year and has nearly drafted her thesis proposal.
