PSYCHOLOGY PRACTICUM REQUEST
Psychology 4510

Instructions: (1) Prior to registration the student must submit a title and description of the proposed psychology practicum on this form. (Please use a brief title since it will appear as such on the permanent transcript after the problem has been approved, completed, and a course grade assigned.) (2) Sign and date the form in the spaces provided. (3) Submit the form to the psychology faculty advisor for signature approval. (4) Take form to the Main Psychology Office in room 316 to be put on the code e-mail list. (5) Forms will be processed the week before classes begin. Any forms turned in after the census date cannot be accepted.
